Email: Simranpreet.3d@gmail.com

Objective: A dynamic front-end developer with a proven track record of delivering polished and user-friendly web solutions. With expertise in HTML, CSS, and WordPress, I am poised to transition into the realm of React.js development, where I aim to apply my strategic thinking and technical acumen to drive impactful digital transformations. My objective is to contribute to forward-thinking teams by crafting seamless and visually compelling web experiences that resonate with users and elevate brand presence. Committed to staying ahead of the curve, I am dedicated to pushing the boundaries of innovation and excellence in every project I undertake.

Key Skills:

- Front-End Technologies: HTML, CSS, Bootstrap, Tailwind
- Frameworks & Libraries: WordPress, React (Basics, JavaScript)
- Design Tools: Photoshop, Figma, Canva
